Elective credits		0				

Implementation Credits	24	<p>credits.</p> <p>2、Minor courses should be selected in accordance with the approved list for minor courses. If courses in the list include required courses from the student's major department, the student must instead select other required courses offered by the minor department. If there are not enough of these other required courses to make up the required credits, the student, after gaining the approval of the department chair, must make up these credits by taking elective courses offered by the minor department and send a written report to the Office of Academic Affairs for future reference.</p> <p>3、Implementation Credits: 24。</p>
